

GOOD SPIRITS

30,000

Estimated number of drinks served to 2,500 guests during the Manhattan Cocktail Classic's annual gala at the New York Public Library; the four-hour soiree is one of the world's largest indoor cocktail parties

Partyers guzzled Atsby vermouth, Barritt's Ginger Beer (left, in a mixed drink), Campari liqueur and more

ROUNDUP

Instant Fame to Infamy

Caleb McGillvary—a.k.a. Kai the Hatchet-Wielding Hitchhiker, whose February interview about intervening in an assault was a YouTube hit—was recently arrested as a murder suspect. But he's not the first viral star to fall.

WTF
Buzzed While You Brush

Who needs morning coffee when you have ... a caffeinated toothbrush? That may be what Colgate is mulling, according to a patent application for a toothbrush that releases chemicals directly into the mouth. Think caffeine, medicine, appetite suppressants—or, y'know, mouthwash. But that's boring.
